Dear Member

We congratulate you on nominating for the Committee of Management of 3RPC.

To assist our members who may not know you could you please supply a short biography (Approx 150 words)
on yourself of any information which you believe may be able to assist our members when they vote. This will
need to be given to the secretary either electronically to 3rpcfm@3rpcfm.org.au or as a hard copy.

On the night of the meeting, if an election is required all nominees will be given the opportunity to address the
meeting for approximately two minutes. If you are unable to attend the Annual General Meeting, this
biography will be read out on your behalf.
